WE'RE AN EVENT ORGANISERS DREAM!

ALL DIETS & ALLERGENS CATERED FOR

We are a family business!

Hi,

We know how important your catering is! We also know all about timing, efficiency and professionalism.

We are proud to have our amazing family running the business with us, with Chefs Johnny, Kerry & Josh taking care of the culinary side of things, and, of course, not forgetting our wonderful waiting staff and our 'front of house' team (Dina, Tash & Sharon) assisting the Chefs!

Please don't worry about getting back in touch, we have been doing this too long to put pressure on you to book us, so relax, you are in great, friendly, family hands!

The following pages give you everything to hand to help make the right decision for your day or evening, a concise brochure is very important, we also believe in being entirely transparent, so we have also clearly shown the most important part, our costs per person, so you can very easily calculate what our catering service will cost you!

We include ALL the bio-degradable crockery, cutlery, napkins and staff to perform our catering duties speedily and professionally - the prices you see are final, no extra or hidden costs! The only extra cost is if you would like to have real china plates/bowls and stainless steel cutlery, for which there is an additional charge of only £2 per person.

Go to [Google](#) to see all of our reviews from past clients, please do take a look at these, they really tell a story, especially about our relaxed dining too! Some reviews are also on the next page!

We feel the best way to get a good understanding for your day and understand your own ideas/ goals, are often by having a zoom chat, google meet, a chat over the phone, or our coffee and chat in person (next page), if you would like to do any of these then I assure you there will still be no pressure from me to get you to book!

Anyway, we have already eaten into a minute of your time, so please sit back, grab a cuppa and read on...

Andy, Debbie, Dina & Johnny

“Should you have any questions, please don't hesitate to get in touch!”

Coffee & Chat!

**AN OPPORTUNITY TO ASK
ANY QUESTIONS**

LEAVE KNOWING MUCH MORE THAN WHEN YOU ARRIVED!

Planning a party, Business event, a celebration of life, anniversary or evening food for a wedding, it should be easy to do with no hidden stress: don't you agree?

We know that the path can sometimes feel a bit overwhelming, especially when you're trying to find the perfect food. That's why we're opening our doors for something a little different. Come and have a chat about your plans, just let me know when is best for you. Alternatively I can come to you and see where we may be catering, and chat ideas through with you there?

No sales pitches. No pressure. Just a quiet 'coffee and chat' session: your chance to sit down with us one-to-one and talk through everything on your mind. Whether you're curious about how live cooking fits your venue, or you just need an honest sounding board for your plans, we're here to help you find that peace of mind.

If you come to us we'll have the kettle on (or a soft drink if you prefer!) and plenty of advice to share. You'll leave feeling more informed about your big day, still with absolutely no obligation to book us. Think of it as a friendly catch-up with a neighbour!

Ready to grab a brew and talk shop? Give me a call on **0758 533 5377**, if I am catering then please leave your name and number with Rachel, my very annoying AI receptionist, and I will come back to you as soon as I am finished.

I can't wait to have a chat!

Buen Apetito catered for my daughters wedding at Hareston Manor on Saturday 19 September, and honestly the food was incredible, delicious and exactly what we asked for. They were extremely professional and so well organised, all our guests loved it and kept going back for more. Perfect for my daughters wedding and would highly recommend.

The food was absolutely outstanding and became such a talking point of the wedding. Guests were raving about it, with many going back for seconds (and even thirds!).
